Abstract

Abstract text goes here, justified and in italics. The abstract would normally be one paragraph long. See Table 1. for appropriate abstract length by submission type.

Introduction

This template should be used as a starting point for AMIA submissions. A number of Word styles, all beginning with the word "AMIA", are available for use in your submissions.

It is important to review the AMIA Call for Participation where types of submissions considered and general requirements for each submission type are listed. All submissions must conform to the format and presentation requirements described in the CFP and at the submission site.

Another Major Heading and References

This sentence has two reference citations.[1,2]

More text of an additional paragraph, with a figure reference (Figure 1) and a figure inside a Word text box below. Figures need to be placed as close to the corresponding text as possible and not extend beyond one page.
